Exams:

- Midterms: Three midterms will be given during lecture time on the fixed dates in the schedule given in this syllabus. You must notify me with documentation of your accommodation at least one week before the first exam in order for it to apply.
- Final Exam: The final exam is cumulative. The exam will be held at the university assigned place and time. This date is non-negotiable. The only exception to this standard is if you have 3 final exams scheduled on the same day; in this circumstance, you must notify me before the 11th week of the semester.
- Partial credit will be awarded on all exams.

Cheating: If you are caught cheating in any fashion (on exams or homework), you will be given an F for the semester and your case will be reported to the Honor Code Council for review.
