This course is an asynchronous online course. The format will use a combination of readings, online discussions, videos, and other web-based resources. Asynchronous learning does not require real-time interact

		Grading Criteria
Grade	Percentage Grade	

## EXTRA CREDIT

Up to 30 points of extra credit **may** be available (=3% of the course grade).

Up to 30 points extra may be available during the semester for completing certain activities, such as listening and commenting on a podcast, completing special activities, etc. These extra credit opportunities will be determined by the instructor and announced in on Canvas.

## POLICY ON DUE DATES

Each module you will complete a series of critical thinking questions that reflect material from the various delivery formats and required readings. It is your responsibility to turn in each assignment on the required date. **Late assignments are not accepted for exams or discussions. Early Module Assignments, In-Video Quizzes, Exercises, and Problem Sets can be turned in up to three days late. The grade penalty is grade will be reduced by 10% for each day late.** The exceptions that may be considered is due to sickness, university excused function, or circumstances beyond the students' control. The instructor reserves the sole right to determine what grounds constitutes a reasonable excuse for missing or submitting a late work assignment and the right to require the student to submit proper verification of such excuse.
