determine government policies to address those failures, and evaluate the policies

REQUIRED TEXTBOOK AND OTHER READINGS

Mankiw, N. Gregory, (2008) *Principles of Microeconomics* (5th Edition). Thomson Southwestern Publishers. (Textbook Website: http://www.thomsonedu.com/economics/mankiw/edition_5/micro.html)

I will provide lecture notes in advance. Please print out before the class and bring it to each lecture. All lecture notes and relevant materials are posted in my website.

Reading economic news in the *New York Times*, *Wall Street Journal*, *The Economist*, or other reputable sources is suggested. Following economic news will make your education more meaningful, and will help you make a better impression on the job market: prospective employers are impressed with candidates who are informed and can articulate intelligent opinions about what's happening in the world.
